My Church on the Heath is our contacts database and electronic address book. It helps us to stay connected and church life to run more smoothly as everyone:

- keeps their own details, and those of their children, up-to-date
- chooses which of their contact details is visible to the wider church family
- can find contact details for others in the church family

If you worship regularly at the Church on the Heath, please follow the instructions overleaf to join MyChurchontheHeath.
