# The Church on the Heath

**A community where everyone  
can encounter the transforming  
love of Jesus**

### Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children’s groups, meet during the service. A crèche for the under-threes can be found at the back of the overflow area.

As we don’t take a collection during the service, there are baskets at the back if you would like to make an offering.

### Patrick writes ...

The robots are coming! Artificial Intelligence now has huge impact on our daily life where we now regularly talk to computers and follow their advice. As AI becomes increasingly sophisticated and more jobs are performed by machines, it raises the question, what does it mean to be human? This morning, in the last of our 'Changing World' series, Jason will help us to think through how we view this rapid change in our world through the lens of our faith.

Our evening Who Cares? talks are now underway. Very much looking forward to welcoming Rev. Mark Lewis who will talk about Stress and Negative Emotions tonight. A relaxed, cafe vibe – do come along and bring someone you think might find the evening helpful.

### This Week:

**Stress / Negative emotion** 27 May

The Who Cares? responses showed that the pace of modern life can leave us feeling busy, lonely and anxious. This stress causes us mental and physical harm as the pressure and fear builds up inside of us. Tonight we will share those experiences and provide help to start healing this familiar burden in our community.
