Today

This morning we will be welcoming Adi and Gabi from Casa Valentin, the children's centre in Romania where our team were serving in the summer. Join us for a full update on both the trip and the work of the centre.

Do join us this evening for our evening service.

The Church on the Heath

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children's groups meet during the service and a crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website www.churchontheheath.org.uk or contact the Church Office on 400 236

Patrick writes ...

In his letter to the Philipian church Paul thanks God for what he calls their 'partnership in the gospel'. He is grateful for their prayers, for the gifts they send and for their longing for him to visit them. Though separated by distance, he believes that God has called them to work together to build God's kingdom and to share Jesus's transforming love.

For several years now, and in a similar way, we have been partners in the gospel with Adrian and Gabriela Popa in Romania. They have visited us and we have sent summer teams to Casa Valentin, and we are so pleased to have them with us this morning. As members of the team share about our recent trip and Adi preaches we look forward to discovering more what our partnership in the gospel means for all of us.
