We welcome all back from the summer break and thank the Energize team for helping children discover their faith.

The Church on the Heath

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children's groups meet during the service and a crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website www.churchontheheath.org.uk or contact the Church Office on 400 236

Patrick writes ...

Just some words about the next few Sundays as we settle into the new term. This morning is a service of praise and worship, welcome, commissioning and baptism. We'll be giving time to hear a number of stories of how God has been working in people's lives, drawing them both to himself and to our staff team.

Next Sunday I'll be revisiting our vision statement and sharing some thoughts for the coming year. Then the following week, Adi and Gabi Popa from Casa Valentin in Romania will be joining us and Adi will be preaching. Our new series on Mark's gospel starts the following week.

Energize kicks off today after the summer break. As we now have so many groups Pulse will meet in the Key Centre. A massive thanks to all the leaders and helpers and we look forward to commissioning you in this important ministry this morning.

ENERGIZE

Energize – Consent Forms

We are looking forward to welcoming the children back to Energize, our Sunday morning programme, today.

Please return the consent form you have received by e-mail. It is essential that these consents are in place to ensure that children are safe in our care, particularly as we are now hiring the Key Centre so that all groups can have the space they need.

If you would prefer to fill in a paper copy, they are available in Church.

Please fill one in, or complete your registration online, this morning.
