# Church on the Heath

A community where everyone can encounter the transforming love of Jesus

### Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children's groups meet during the service and a crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website [www.churchontheheath.org.uk](http://www.churchontheheath.org.uk) or contact the Church Office on 400 236

### Patrick writes ...

There are two kinds of preaching: thematic where you pick a subject, finding bible passages that speak about that subject, and systematic where you choose a book in the bible, working through it systematically, taking whatever themes emerge from the text week by week. Our series on Mark falls into the second category and as I settle down to prepare my talk this week I have no idea what themes will emerge. And I love that. It means that what comes out is as fresh and surprising for me as I hope it will be for you. Paul Brice will be doing the same for us this evening as he preaches from Acts.

The saying '*you've got to change to remain the same*' is as true for churches as it is for businesses and organisations; all need a fresh look from time to time in order to remain attractive and contemporary. We've been working behind the scenes with Patrick Kirwan to create a new brand identity for our church and we really look forward to sharing this with you all in the coming weeks. We're just putting the final touches to some of the different elements – watch this space!
