Today...

We continue our journey through the Gospel of Mark and explore the power of forgiveness that is contained within us all.

Our October Mission Focus...

...is Fleet Angels. Pray for their protection on Saturday nights as they work caring for those in need on the street.

Church on the Heath

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children's groups meet during the service and a crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website www.churchontheheath.org.uk or contact the Church Office on 400 236

Patrick writes ...

Sorry not to be with you this Sunday but just a few things to mention: After next week's morning service we'll be *presenting our new logo*. Pat Kirwan will talk us through exciting plans for our image re-brand so please do grab a coffee and stay to hear the rationale behind it.

With *Halloween just around the corner* parents may find [this online article](#) helpful. In my opinion it gives a balanced approach to the whole topic.

Lastly, the 31st is the second anniversary of the death of Julian Mock, our youth intern in 2016. We remember him with much affection and continue to pray for his family in Germany. May God bless you with his peace and presence as you worship here together today.
