The Church on the Heath

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

A parent –supervised crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website www.churchontheheath.org.uk or contact the Church Office on 400 236

Patrick writes ...

Last night I watched the BBC documentary 'Drowning in Plastic'. The way our consumer world is destroying sea life and many of the world's ecosystems is heartbreaking. Earlier in the day I was at an environmental awareness seminar and learned that the lifestyle we enjoy in the west requires the resources of two planets to sustain. The problem is we only have one.

Our annual harvest celebration is therefore a moment to thank God for all the earth provides for us and a call to change. The connection between the way we live and the extreme weather that destroys the harvest of countless communities in the southern hemisphere is now inescapable. This is an ethical, political and spiritual issue.

Thanks for bringing items today for the foodbank. We would love you to stay for our bring and share harvest lunch after the service.
