Our October Mission Focus...

...is Fleet Angels. Pray for their protection on Saturday nights as they work caring for those in need on the street.

Church on the Heath

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

Energize, our children's groups meet during the service and a crèche for the under-threes can be found at the back of the overflow area.

As we don't take a collection during the service, there are baskets at the back if you would like to make an offering.

Large format song sheets are available at the back with the stewards.

For more information on The Church on the Heath, visit our website www.churchontheheath.org.uk or contact the Church Office on 400 236

Patrick writes ...

Earlier in the week Yener and I went to the *Christian Resources Exhibition* in Esher. We arrived in time to hear actor Sally Phillips open the event. She spoke about her Downs son Olly (14), his gift of breaking down the barriers of those around him and the joy he brings to so many people. 'We need people like Olly in our churches to bring out the best in all of us', she said. I agree and I so want us to be a church like that. We are at our best when we make space for the vulnerable and those who help us to view life and faith from a different perspective. The exhibition itself was helpful and a reminder of all the resources available to help the church live out her vision and serve God.

If you could put the last three *Leading Your Church Into Growth* (LYCiG) sessions in your diary that would be great. Your involvement and subsequent feedback makes the whole process so valuable.

Thanks David for preaching this morning and for taking us a step further on our journey into Mark's gospel.
